

ADDENDUM – 01

Tender Name: Construction of New W&C Block at DH Nilambur, Malappuram -Phase 2

Tender No.: WAP/INFRA/KERALA/2025/NLBR/504-2 dated 21.04.2025

Subject: Clarification Regarding Makes of Equipment and Acceptance of Equivalent Brands

It is hereby informed to all prospective bidders that the makes of the following equipment mentioned in the tender document are indicative in nature:

- **Diesel Generator:** Cummins / Greaves / Caterpillar
- **Elevators:** OTIS / TKE / Schindler

Bidders may propose other reputed and equivalent makes, subject to the following conditions:

General Notes Regarding Makes of Equipment:

1. The makes mentioned in the tender are indicative and represent preferred brands based on technical suitability and past performance.
2. Equivalent makes may be considered, provided the bidder obtains **prior written approval** from WAPCOS before procurement.
3. Any change of make from those mentioned in the tender shall be subject to technical evaluation and approval by WAPCOS and the Client.
4. Bidders proposing alternate makes shall submit complete technical brochures, compliance statements, and performance records of the proposed make during the bidding stage.
5. Wherever makes are not specified, materials and equipment shall conform to the latest BIS/IEC/ISO standards and must bear the ISI mark wherever applicable.
6. In case of any contradiction in the list of approved makes across various parts of the tender, the decision of WAPCOS shall be final and binding.
7. The Contractor shall not change the make of any material/item without obtaining prior approval from the Engineer-in-Charge.

All bidders are requested to take note of the above while submitting their bids.

This Addendum shall form an integral part of the tender document and shall be signed and submitted along with the bid.
