

Corrigendum /Addendum No.1

Date: 13.03.2025

Reference: NIT No. WAP/CMU-III/2024-25/NESTS/TN/Yercaud/15 dtd. 01.03.2025 for "Construction of Eklavya Model Residential School (EMRS) at Yercaud, District Salem, Tamil Nadu".

The Replies to the Pre-bid Queries of Bidders is enclosed.

(Adarsh Kalhia)

Chief Engineer (CMU-III)

Replies to the Pre-Bid Queries submitted by the Bidders:-

Sl. No.	Pre-Bid Queries	Replies / Clarifications
1	Can you arrange the Prebid meeting online ?	As per NIT only
2	We request you to include price variation clause as per CPWD GCC clause 10CC and 10CA as the completion period is more than one year	As per NIT only
3	Is there sufficient funds for the project?	Sufficient Funds are available
4	Please refer to tender document Form D - "Maximum value of engineering (Civil/ Electrical/ Mechanical as relevant to work being procured) works executed in any one year during the last five years (updated at the current price level), taking into account the completed as well as works in progress.)" We understand by the above definition that the value asked for is the turnover achieved through civil engineering works in each year for the last 5 year period. Is our understanding correct?	Yes.
5	How much bid capacity required for the project ?	The Bid capacity should be positive
6	Is this project GST 12% or 18% ?	Current rate of GST for the project is 18%.
7	Please refer to Page No:97, Section V, clause 2.6 - Kindly explain what is the period of requirement of inspection vehicle? Is it a car for entire period of project? Kindly explain.	The Inspection vehicle (car) with driver, fuel, lubricants alongwith maintenance of vehicle shall be provided by the Contractor from the date of commencement of work to the date of completion of DLP of the project.
8	Please refer to Page No:51, Section IV, clause 11 - Is Bank guarantee accepted for security deposit?	As per NIT only
9	Approach road about 1km outside the school premises to be developed or made good for vehicle movement. Is there any provision in the scope of work to do it?	Approach road, outside the school, is not in the scope of the bidder. It will be constructed by the State Govt.
