4. General Instructions

- i. Evaluation Committee may, at its discretion, call for additional information from the Bidder(s). Such information has to be supplied within the given time frame, otherwise the Evaluation Committee shall make its own reasonable assumptions at the total risk and cost of Bidders and the proposal is likely to be rejected. Seeking clarifications cannot be treated as acceptance of the Proposal.
- ii. The Evaluation Committee will invite short-listed agencies for making a presentation on their Strategy, Strength, Approach & Methodology for executing the scope of work
- iii. For calculating the Technical Score (TS) the individual scores, the individual scores, as per respective weightage specified above will be summed up. In order to qualify technically, a Proposal must secure minimum TS of 70.
- iv. Only Technically qualified Proposals shall be considered for Financial Bid Opening. Please Note bidder with 70 marks will qualify for opening of financial bid
- v. **Technical Proposal must not include any financial information failing which the Proposal will be rejected.**

Total Marks for Technical Evaluation (t) = 100

vi. The marking of Technical Bids will be carried out as under:

- a) For the minimum eligible experience in each category, the bidder will get the minimum marks. The bidder will get higher marks for higher experience.
- b) The bidder shall also give a detailed presentation showcasing overall experience of the firm/ joint venture, areas of expertise, experience of the team to be deployed for the job, and understanding of ToR, etc. The date of presentation (Either through Personal interaction or Video Conferencing) shall be intimated to all the bidders by email as per employer's requirement
- c) The minimum Technical Score (St) required to qualify for financial bid opening is 70.
- d) The Technical Bids of the Bidders scoring 70 and above marks as explained above, will be considered as Responsive and their Financial Bids would be opened and considered for evaluation.
- e) The lowest evaluated Financial Proposal (Fm) will be awarded the maximum financial score (Sf) of 100.

The formula for determining the financial scores (Sf) of all other Proposals will be calculated as follows:

- $Sf = 100 \times Fm / F$, in which "Sf" is the financial score, "Fm" is the lowest price, and "F" the price of the proposal under consideration.

The weights given to the Technical (T) and Financial (P) Proposals are: T= 70, and P = 30.

- f) Bids shall be ranked according to their combined Technical (St) and Financial (Sf) scores using the weights
 - T = the weight given to the Technical Proposal
 - P = the weight given to the Financial Proposal
 - $T + P = 1$ as following: $S = St \times T\% + Sf \times P\%$.

vii. WAPCOS reserves the right to reject the Bid under any of the following circumstances:

- Bid is incomplete and/ or not accompanied by all required documents.
- Bid is not in conformity with the terms and conditions of Tender/ Bid Document.
- The Qualifications and Experience of the Bidder as well as the Manpower/ Personnel are not met by the Bidder.
- Any other reasons due to which WAPCOS finds that the Bidder is not eligible.

SECTION -IV SCOPE OF WORK

SCOPE OF WORK

1. BACKGROUND OF DAMAGE ASSESSMENT STUDY

WAPCOS Ltd. is inviting the eligible parties for conducting the damage assessment study. The Office Memorandum dated 7th July 2021 of Ministry of Environmental Forest and Climate Change (MoEF&CC), EIA notification dated 14 March 2017 and all the subsequent amendments, SoPs, guidelines of MoEF&CC, CPCB etc. and all the subsequent orders of Hon'ble NGT etc. are applicable for conducting the study. The study is to be conducted for obtaining Environmental Clearance (EC) from the MoEF&CC. The awarded party will be responsible for authenticity, correctiveness of data, documents etc.

2. PROJECT DESCRIPTION

The Lower Orr dam which is a component of Ken-Betwa link Project Phase-II envisages construction of a composite dam (Earthen and Concrete) across the Orr river near Didauni village on the border of Shivpuri and Ashok Nagar districts in Madhya Pradesh to store 372 MCM water for irrigation to water deficit areas of Shivpuri and Datia district. The 75% and 50% dependable annual yield of the sub-basin up to the proposed dam site has been assessed as 363 MCM and 501 MCM respectively. From the simulation studies it is seen that about 329.67 MCM water can be utilized from the reservoir for irrigation (apart from 6 MCM for drinking water supply and 44.9 MCM environmental releases) at 371.80 MCM storage capacities.

The proposed Lower Orr dam envisages the construction of a composite dam. In the proposed composite dam, the concrete dam portion is 487 m long with 247 m long spillway and 240 m long Non Overflow blocks. The earthen portion of dam is 1731 m long with a maximum height of 45.0 m. A 91.260 km long main canal has been proposed on the left bank of river. The FRL of the Lower Orr project is kept as 380 m. The submergence area at FRL is 2723.70 ha. This component of the project will provide annual irrigation to 67,570 ha in Shivpuri and Datia districts of MP with 150% irrigation intensity utilizing 329.67 MCM. Beside 6 MCM water will be provided for drinking water supply to the enroute villages and towns in the vicinity of the canal. About 1.65 lakh people will get drinking water at a consumption rate of 100 lpcd. The location map of the project is enclosed as **Figure-2.1**.

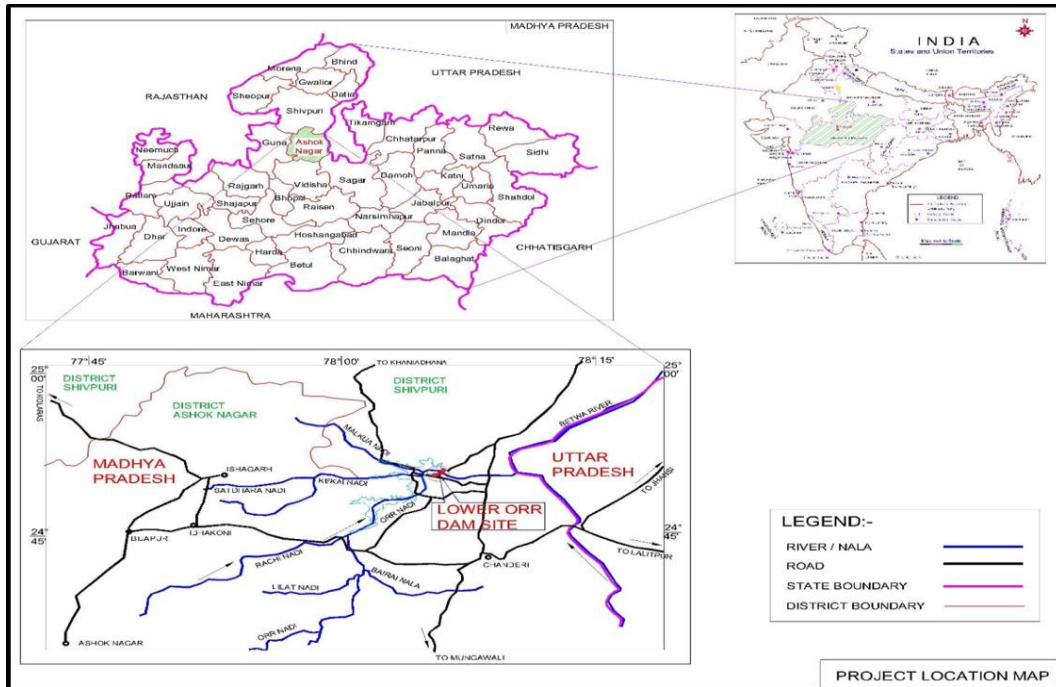

Figure-2.1 Project Location Map

3. SCOPE OF WORK

The scope of work for a damage assessment study of a hydroelectric project would typically involve a comprehensive analysis of the extent and nature of any damage that has occurred. The study aims to assess the impact on various components of the project and determine the necessary remedial measures. Here are some key aspects that may be included in the scope of work:

1. **Site Inspection:** Conduct a thorough site visit to visually assess the damage and identify affected areas, including structures, equipment, and surrounding environment.
2. **Documentation Review:** Review relevant project documents, such as engineering drawings, construction plans, and operational records, to understand the original design and functioning of the project.
3. **Data Collection:** Gather data related to the damage, including photographs, videos, sensor readings, maintenance logs, and any available incident reports or witness accounts.
4. **Environmental Assessment:** Evaluate the environmental impact of the damage, such as changes in water quality, ecosystem disruption, and potential risks to aquatic life and surrounding habitats.
5. **Risk Assessment:** Identify potential risks and safety hazards associated with the damage, both for the project itself and for downstream communities or ecosystems. This

may involve evaluating the stability of structures, flood risks, and other safety considerations.

6. This shall include preparation of EMP comprising remediation plan and natural and community resources augmentation plan corresponding to the ecological damage assessed and economic benefits derived due to violation to be done.
7. Environmental Cost benefit analysis shall be done in terms of loss of Forest ecosystem due to diversion of forest land/loss of biodiversity.
8. **Reporting:** Prepare a comprehensive report summarizing the findings, including detailed assessments, recommendations, and potential long-term implications. The report should be clear, concise, and accessible to stakeholders, including project owners, regulatory authorities, and insurers.
9. **Project Management Support:** If necessary, provide project management support to oversee the implementation of the recommended remedial measures, ensuring that repairs are carried out effectively and efficiently.

The office memorandum dated 7th July 2021 of Ministry of Environmental Forest and Climate Change (MoEF&CC), EIA notification dated 14 March 2017 and all the subsequent amendments, SoPs, guidelines of MoEF&CC, CPCB, and all the subsequent orders of Hon'ble NGT etc. are applicable for conducting the study. The study should be conducted for obtaining Environmental Clearance (EC) from the MoEF&CC. The awarded party will be responsible for authenticity, correctiveness of data, documents etc.

(Details of duly authorized signatory) “**Bidder/Contractor**” and which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns)

Preamble

WHEREAS the Principal / Owner has floated the Tender (NIT No.)
(hereinafter referred to as –Tender/BidII) and intends to award, under laid down
organizational procedure, contract
for..... (Name of work) hereinafter
referred to as the –ContractII.

AND WHEREAS the Principal/Owner values full compliance with all relevant laws of the land,
rules, regulations, economic use of resources and of fairness/transparency in its relation with
its Bidder(s) and Contractor(s).

AND WHEREAS to meet the purpose aforesaid both the parties have agreed to enter into this
Integrity Agreement (hereinafter referred to as –Integrity PactII or –PactII), the terms and
conditions of which shall also be read as integral part and parcel of the Tender/Bid documents
and Contract between the parties.

NOW, THEREFORE, in consideration of mutual covenants contained in this Pact, the parties
hereby agree as follows and this Pact witnesses as under:

Article 1: Commitment of the Principal/Owner

- (1) The Principal/Owner commits itself to take all measures necessary to prevent corruption and to observe the following principles:
 - (a) No employee of the Principal/Owner, personally or through any of his/her family members, will in connection with the Tender, or the execution of the Contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.
 - (b) The Principal/Owner will, during the Tender process, treat all Bidder(s) with equity and reason. The Principal/Owner will, in particular, before and during the Tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential / additional information through which the Bidder(s) could obtain an advantage in relation to the Tender process or the Contract execution.
 - (c) The Principal/Owner shall endeavour to exclude from the process any person, whose conduct in the past has been of biased nature.

- (2) If the Principal/Owner obtains information on the conduct of any of its employees which is a criminal offence under the Indian Penal code (IPC)/Prevention of Corruption Act, 1988 (PC Act) or is in violation of the principles herein mentioned or if there be a substantive suspicion in this regard, the Principal/Owner will inform the Chief Vigilance Officer and in addition can also initiate disciplinary actions as per its internal laid down policies and procedures.

Article 2: Commitment of the Bidder(s)/Contractor(s)

- (1) It is required that each Bidder/Contractor (including their respective officers, employees and agents) adhere to the highest ethical standards, and report to the WAPCOS all suspected acts of fraud or corruption or Coercion or Collusion of which it has knowledge or becomes aware, during the tendering process and throughout the negotiation or award of a contract.
- (2) The Bidder(s)/Contractor(s) commits himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the Tender process and during the Contract execution:
- (a) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal/Owner's employees involved in the Tender process or execution of the Contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the Tender process or during the execution of the Contract.
- (b) The Bidder(s)/Contractor(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to cartelize in the bidding process.
- (c) The Bidder(s)/Contractor(s) will not commit any offence under the relevant IPC/PC Act. Further the Bidder(s)/Contractor(s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others, any information or documents provided by the Principal/Owner as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
- (d) The Bidder(s)/Contractor(s) of foreign origin shall disclose the names and addresses of agents/representatives in India, if any. Similarly Bidder(s)/Contractor(s) of Indian Nationality shall disclose names and addresses of foreign agents/representatives, if any. Either the Indian agent on behalf of the foreign principal or the foreign principal directly could bid in a tender but not both. Further, in cases where an agent participate in a tender on behalf of one manufacturer, he shall not be allowed to quote on behalf of another manufacturer along with the first manufacturer in a subsequent/parallel tender for the same item.
- (e) The Bidder(s)/Contractor(s) will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the Contract.

- (3) The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.
- (4) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm indulge in fraudulent practice means a willful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of others and/or to influence the procurement process to the detriment of the WAPCOS interests.
- (5) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm use Coercive Practices (means the act of obtaining something, compelling an action or influencing a decision through intimidation, threat or the use of force directly or indirectly, where potential or actual injury may befall upon a person, his/her reputation or property to influence their participation in the tendering process).

Article 3: Consequences of Breach

Without prejudice to any rights that may be available to the Principal/Owner under law or the Contract or its established policies and laid down procedures, the Principal/Owner shall have the following rights in case of breach of this Integrity Pact by the Bidder(s)/Contractor(s) and the Bidder/ Contractor accepts and undertakes to respect and uphold the Principal/Owner's absolute right:

- (1) If the Bidder(s)/Contractor(s), either before award or during execution of Contract has committed a transgression through a violation of Article 2 above or in any other form, such as to put his reliability or credibility in question, the Principal/Owner after giving 14 days" notice to the contractor shall have powers to disqualify the Bidder(s)/Contractor(s) from the Tender process or terminate/determine the Contract, if already executed or exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of transgression and determined by the Principal/Owner. Such exclusion may be forever or for a limited period as decided by the Principal/Owner.
- (2) Forfeiture of Bid Security Declaration /Performance Guarantee/Security Deposit: If the Principal/Owner has disqualified the Bidder(s) from the Tender process prior to the award of the Contract or terminated/determined the Contract or has accrued the right to terminate/determine the Contract according to Article 3(1), the Principal/Owner apart from exercising any legal rights that may have accrued to the Principal/Owner, may in its considered opinion forfeit the entire amount of Earnest Money Deposit, Performance Guarantee and Security Deposit of the Bidder/Contractor.
- (3) Criminal Liability: If the Principal/Owner obtains knowledge of conduct of a Bidder or Contractor, or of an employee or a representative or an associate of a Bidder or Contractor which constitutes corruption within the meaning of IPC Act, or if the Principal/Owner has substantive suspicion in this regard, the Principal/Owner will inform the same to law enforcing agencies for further investigation.

Article 4: Previous Transgression

- (1) The Bidder declares that no previous transgressions occurred in the last 5 years with any other Company in any country confirming to the anticorruption approach or with Central Government or State Government or any other Central/State Public Sector Enterprises in India that could justify his exclusion from the Tender process.
- (2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the Tender process or action can be taken for banning of business dealings/ holiday listing of the Bidder/Contractor as deemed fit by the Principal/ Owner.
- (3) If the Bidder/Contractor can prove that he has resorted / recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal/Owner may, at its own discretion, revoke the exclusion prematurely

Article 5: Equal Treatment of all Bidders/Contractors/Subcontractors

- (1) The Bidder(s)/Contractor(s) undertake(s) to demand from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the principles laid down in this agreement/Pact by any of its Subcontractors/sub-vendors
- (2) The Principal/Owner will enter into Pacts on identical terms as this one with all Bidders and Contractors.
- (3) The Principal/Owner will disqualify Bidders, who do not submit, the duly signed Pact between the Principal/Owner and the bidder, along with the Tender or violate its provisions at any stage of the Tender process, from the Tender process.

Article 6: Duration of the Pact

This Pact begins when both the parties have legally signed it. It expires for the Contractor/Vendor 24 months after the completion of work under the contract or till the continuation of defect liability period, whichever is more and for all other bidders, till the Contract has been awarded. If any claim is made/lodged during the time, the same shall be binding and continue to be valid despite the lapse of this Pacts as specified above, unless it is discharged/determined by the Competent Authority, WAPCOS.

Article 7: Other Provisions

- (1) This Pact is subject to Indian Law, place of performance and jurisdiction is the Head quarters of the Principal/Owner, who has floated the Tender.
- (2) Changes and supplements need to be made in writing. Side agreements have not been made.
- (3) If the Contractor is a partnership or a consortium, this Pact must be signed by all the partners or by one or more partner holding power of attorney signed by all partners and

consortium members. In case of a Company, the Pact must be signed by a representative duly authorized by board resolution.

- (4) Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
- (5) It is agreed term and condition that any dispute or difference arising between the parties with regard to the terms of this Integrity Agreement / Pact, any action taken by the Owner/Principal in accordance with this Integrity Agreement/ Pact or interpretation thereof shall not be subject to arbitration.

Article 8: Legal and Prior Rights

All rights and remedies of the parties hereto shall be in addition to all the other legal rights and remedies belonging to such parties under the Contract and/or law and the same shall be deemed to be cumulative and not alternative to such legal rights and remedies aforesaid. For the sake of brevity, both the Parties agree that this Integrity Pact will have precedence over the Tender/Contact documents with regard any of the provisions covered under this Integrity Pact.
